November 2026

Dear Child Care Provider,

We'd like to introduce ourselves!

Early Years is a nonprofit organization with more than 50 years of experience supporting early care and education in North Carolina. Through our Child Care Referral Central (CCRC) program, we help families find child care that meets their needs. With our recent expansion into your area, we're excited to connect with you!

We want to get to know your program and help families learn about what you offer.

Your program is already included in our referral database. With support from the NC Division of Child Development and Early Education (DCDEE), we regularly update basic licensing information. However, details such as tuition rates, schedules, vacancies, discounts, and special services come directly from you. Keeping this information current helps our Referral Specialists connect families with programs that meet their needs.

Getting started is easy, and there's no cost to participate!

1. **Log in** to your Provider Profile Portal using the QR code.
2. **Review** your existing program information.
3. **Update** your vacancies, rates, schedules, and any other details that have changed.

Our Referral Specialists are happy to answer questions and help you update your information. Contact us at **1-855-327-5933** or **referral@earlyyearsnc.org**.

Thank you for the important work you do for children and families. We look forward to getting to know you!

Warm regards,

The Child Care Referral Central Team
